

## JOIN THE ST JOHNS COUNTY REPUBLICAN EXECUTIVE COMMITTEE AND MAKE YOUR VOICE HEARD!

### WHY SHOULD YOU BECOME A PRECINCT COMMITTEE PERSON?

**Republicans frequently ask this question.** Often, we assume that since we are registered Republicans; follow party happenings in the various media outlets and vote regularly for qualified Republican candidates, we are doing all we can to further the party's goals. But there is more YOU can do!

### HELP TAKE OUR COUNTRY BACK!

By becoming a Republican Precinct Committeeman/Committeewoman (PC), which is essentially a community Party Leader, you can take that next step in spreading the great Republican message of lower taxes, smaller government & more individual freedoms and liberties.

A PC is elected for a two-year term and represents approximately 1,000 voters in their precinct. Being a PC means being THE most direct point of contact for fellow Republicans in your immediate community. A PC is on the front lines when it comes to information accumulation and dissemination within the precinct.

### WHAT DOES A PRECINCT COMMITTEEMAN/COMMITTEEWOMAN DO?

Responsibilities include:

1. Working with your District Chair to grow your precinct participation, and in coordination with the other PC's in your precinct, a PC's primary responsibility is to recruit Neighborhood Captains for every named community in your precinct, who, in turn, are to recruit Block Captains for every block within each neighborhood.
2. Attending monthly St. Johns County Republican Party meeting (first Thursday of every month)
3. Assisting the Republican Party in getting out the vote to elect Republican candidates by calling Registered Republicans (we have the list) asking for their email addresses (currently only about 10% of voters list email addresses and another 10% phone numbers).
4. Assisting the Republican Party by organizing voter registration and door knocking in your precinct
5. Promote ideals of the Republican Party and educate voters on the issues and candidates
6. Be active on one or more committees, the most active in off-election years being voter registration, membership and phone.

As a PC you will have the opportunity to attend many party functions from regular district meetings to county meetings and you will be kept informed about party activities and issues. You can acquire specific and accurate information regarding party positions and policies to "counter" the misinformation so often spread about Republicans by Democrats and the mainstream media. **YOU** too, can have a HUGE impact on the Republican party.

### BECOME INVOLVED AND INFLUENCE ELECTIONS!

Being a precinct PC allows you direct access to voters in your precinct who vote in the primary and general elections. Can you imagine the positive change if all of our PCs positions were filled and we were making contact with **ALL** of our Republican voters?

### HOW MUCH TIME WILL IT TAKE?

Simply put, the level of your participation depends on *you*. If you have a few hours a month or a few hours a week and want to make a positive difference in the direction of our great country - this is the position to consider!
